CHALLENGE FRANCO-BRITANNIQUE DES DEUX CÔTES

COURSES DE CÔTE D'ETRETAT-BÉNOUVILLE ET COTE DE PRESCOTT

The Challenge is for a France versus United Kingdom Trophy, 'Challenge Franco-Britannique des Deux Côtes' The two Côtes being 'the hills' at Prescott and Etretat-Benouville. We propose that the Trophy be awarded to the driver to achieve the best overall combined result based upon handicap at both venues.

We propose that the Franco-Britannique des Deux Côtes Trophy be awarded to the driver to achieve the best overall combined result based upon handicap driving a French marque. Each driver will be given a target time for each event and their cumulative time based on the time achieved against handicap target for each event will provide the result. A driver may enter any pre 1976 car and marque. More than one driver may enter the competition in the same car and different cars may be used at each event. Drivers will enter each event as an individual in the normal way.

The first Trophy will be awarded in August 2009 at Étretat. The Trophy will be held by the winning driver for one year when it will be presented to the winning Driver of the following year.
