

With spring approaching, preparations for the coming season at Prescott are well underway. By now, I am sure you are all aware, 2019 is the 90<sup>th</sup> anniversary of the Bugatti marque and celebrations will be held at Prescott throughout the year. We are hoping that as many Bugattis as possible (complete with owners!) will be present at the weekend of 25<sup>th</sup>/26<sup>th</sup> May to mark this momentous occasion. So, if you haven't yet entered this date in your diary, do it now and please contact Chris Rogers, our General Manager, for further details of the event. Chris can be contacted on 0044 (0)1242 673136 or by email [chris@bugatti.co.uk](mailto:chris@bugatti.co.uk). Come along and join in the fun.

Before this date, of course, we welcome to Prescott on April 27<sup>th</sup>/28<sup>th</sup>, the British, Midland and Leaders Championship contenders together with the New Barn and Henney's Championship competitors. This will be a busy weekend as usual and a great opportunity to see the changes to car and driver combinations that may have taken place over the winter following months of speculation and debate. Who will be doing what? With what? And how good will the package be? Oh, the anticipation! Formula One ramifications has nothing on those in the hillclimb world!

Once again, on our return to work following the Christmas break, I was greatly assisted by three volunteers with the annual stocktake. This once dreaded task has now become much easier with the aid of Paul Gibbons (Club Archivist), Clive Miller and David Green who so readily gave up their time to help me out. Every item is meticulously counted and recorded in just a day leaving me ready to sell again when the office re-opens the following day for business. Thank you so much to you all for your invaluable and willing support.

I am pleased to say that I now have the Beru hose clips (part no M2) and the Beru spark plug terminals (part no M1) back in stock.

Also, please note, I have a source for the Type 57 wheel spanner and the Type 57 starting handle. Please contact me for further details.

### The Spares Department

Please remember that the Spares Department functions as a service to Club members and can only operate with your support. Our prices remain competitive in relation to the quality standards that we insist upon from our suppliers. Stock items are readily available. Over the years much information has been compiled with regard to a **source of supply** for many parts which are not listed in the spares catalogue. If you cannot find the parts you require listed in the catalogue then please do contact me giving full details of your requirements and I will pursue the matter for you.

### Payment for Purchases of Spares

The Club prefers payment of invoices at the time of despatch. We accept all major debit or credit cards with the exception of American Express. It is helpful if you quote the card details at the time of placing the order. Cheques from overseas must be in £Sterling and drawn on a British Bank. Regrettably we can no longer accept Eurocheques. All cash payments must be in £Sterling.

## Refunds

Full refunds will be given on any parts purchased providing the part concerned is in the same condition as sold and the original invoice can be shown. The maximum term for a refund is two years.

**WOULD NEW CUSTOMERS PLEASE NOTE THAT THE ARTICLES OF ASSOCIATION  
OF THE BUGATTI OWNERS' CLUB LTD ONLY ALLOW THE SALE OF PARTS TO PAID
