

September 2019 – Newsletter from Spares

The weeks since the last newsletter have been exceptionally busy in the Bugatti world with many events taking place to celebrate the 90th Anniversary of Bugatti. The International Meeting in Ireland received rave reviews and was thoroughly enjoyed by all participants. Coverage of this event is found elsewhere in this newsletter and also in Bugantics.

La Vie en Bleu this year celebrated the marque with numerous Bugattis taking part in the hillclimb. There were also several demonstrations on the hill and static displays in the paddock and a photo was taken at Ettores' bend of many Bugattis to commemorate this special occasion. Many thanks to those who kindly gave up their time to visit Prescott where the magic number of 90 Bugattis at the 90th Anniversary was achieved over the weekend.

Following this weekend, the celebrations continued with a Gala dinner and the first of two garden parties to be held this year. This gave the participants on the International Meeting the opportunity to drive their Bugattis up the hill at Prescott before embarking on the trip to Ireland.

The second garden party held in July following the Member's Meeting was also a huge success and was much enjoyed by all. The weather was kind and the sight of so many different types and ages of cars ascending the hill and friends and families enjoying their picnics under the trees in the paddock all added to a true "garden party" atmosphere. If you haven't come to this event before, look out for the date for next year and put it in your diary. It really is a lovely relaxed day.

Life in the Spares' Department continues to be busy and many thanks to you all for your orders. There are just a couple of additional parts to the shelves and these are –

C1F (35CH84) – this is the leather disc which fits inside part no A50 (35CH74) steering column bracket and is suitable for all GP cars. Four discs are needed for each car.

C45A (30CH234) is a bonnet rest and is suitable for Types 30, 38 and 40.

Enjoy the rest of the hillclimb season and I look forward to meeting up with you at the remaining events.

Payment for Purchases of Spares

The Club prefers payment of invoices at the time of despatch. We accept all major debit or credit cards with the exception of American Express. It is helpful if you quote the card details

at the time of placing the order. Cheques from overseas must be in £Sterling and drawn on a British Bank. Regrettably we can no longer accept Eurocheques. All cash payments must be in £Sterling. Bank transfers can be made and our banking details are found at the foot of the invoice.
